

Antler Point Restriction (APR) Regulations

APR regulations vary throughout the state based on the type of deer license and the hunting location. Use the map and chart on these two pages to find the APR for your desired hunt.

1. On the map, locate the Deer Management Unit(s) (DMU) you wish to hunt.
2. Match the color of your desired DMU(s) to the color(s) in the chart to the right to see the type of deer you may harvest in each season based on your license.

Antler Point Restriction Key

Antlerless Deer

At least one antler
3 inches or longer

2 or more points*
on one side

3 or more points*
on one side

4 or more points*
on one side

* A legal point must be at least
1 inch in length

Two buck limit, statewide. When harvesting two bucks, one buck must have at least four or more points on one side.
